“We are all gifted by God.” We say it all the time, but what do we mean? We mean God is a generous and abundant creator and each and every one of us have a variety of gifts that we can use to embody our faith and show God's love in the world. We're not just talking about having lots of money and exceptional health. Each and every one of us are endowed by our Creator with an abundance of gifts that can be used to embody God's love in the world.

We have gifts of serving and teaching; we have gifts of caring and sharing the good news. We have gifts of music and story. We have gifts of time and gifts of money. All we have and all we are is from God.

Sometimes, particularly in stewardship season, we limit our minds to the material gifts we have in our lives. We lose sight of those everyday pieces of ourselves that are essential to fully living out our faith. As we think about how God calls us to follow, as individuals and community, let us recognize all the ways we can embody our faith each and every day. What gifts allow us to show our love at work and play, at school and home, with family and friends and random strangers? Our everyday lives are not separate from our faith. Faith is not just lived out in the church building on Sunday mornings or even Wednesdays at the Food Pantry.

Are there things you do every day that could help serve God? Can you speak a kind word? Give a listening ear? What about how you spend your money? Our budgets are documents that should embody our values, our faith. They outline our priorities in the big and small ways we live our lives. Which is why I encourage you to look closely at all your gifts, including your money, and dedicate a portion to the work of God in this congregation. We cannot do this work as individuals. All of us, all our gifts working together, enable us to live out God's call.

Let us give thanks for all that we have and all that we are. God has created us and gifted us. Let us shout praise. Let us share together in all we have and are as we live our lives in and for God's love. *Laura*

Sunday School will gather in person on November 21.

## Ministry Gathering on Sunday, November 28

On Sunday, November 28, we will gather after worship to celebrate the gifts we bring to the work of the church and to talk about the new ways God is calling us to use those gifts.

We'll take time to eat before our conversation, spreading out throughout our worship space and fellowship hall. Then we will gather in person and through Zoom to hear from our ministry leaders and talk together. This will be one gathering, with Zoom connected to the physical gathering.

## Disciples Food Pantry Received a Grant!

Joan Fuller and/or Diana Robbins regularly apply for grants for the Disciples Food Pantry. This time when they applied to Northern Illinois Food Bank for funds to purchase a used van and additional refrigerators/freezers, they received a \$20,000 check! The check was delivered to Joan on Friday afternoon. She will soon be shopping for a used van to replace the old, often-in-need-of-repair pickup truck that she has been using for food pickups at Jewel and Target.

## Fund-raising with Amazon, Gift Cards

Do you shop at Amazon.com? If you do, a portion of your purchase price for qualifying items can come to the Christian Church of Villa Park by choosing the church as your recipient in their AmazonSmile program. It doesn't cost you anything extra to participate; it just shares the profit with a charity of your choice. If you have any questions, ask Betty Prorak.

The next order for Jewel gift cards will be placed at the beginning of December. Please let Betty Prorak know what card(s) you would like to order by December 5 for them to be delivered by December 12. The church receives 5% of the cost of any cards we order as a group.

The next ShopWithScrip gift card order will be due on January 9. There are many different gift cards available, each giving the church a portion of your purchase price. If this will be your first order from [www.shopwithscrip.com](http://www.shopwithscrip.com), please contact Betty Prorak (BLProrak@yahoo.com) for the church's enrollment code.

### **That Shiny Thing**

A poem by Tender Sender/Tina Marie Amodeo

When are You going to take a breath of fresh air?!!  
God don't You remember that I'm a human heir?!  
As I can only jump so far to reach the new layer.  
I'm not a Divine being that can easily switch into a slayer.  
Cutting through the "prickly" weeds that reach to the stars  
And those yellow spreading rods of eye scratching bars.

I'm just achieving an age past being like a newcomer  
Just a little child running to stay a forerunner  
But my legs shake far beyond the lack of power  
My reborn blood aches fighting the will to cower  
Because all I want to do is please the Great One,  
Yet, Lord, I just want to veer towards the world of fun.  
Go play with the shiny things that swing  
And have laughter erupt from my gut as I entertain a fling.  
Drink more and more to where my eyes criss-cross  
And the mirrored walls seem to have corners filled with moss.

Maybe find a little red fiber hiding in the green paper  
But always will flip over any yellow in the white caper.  
Because poison lurks in ways that will give the mind flight.  
It will make one believe they can overcome any fight.

How little does the heart realize tricks aren't just for kids  
That on my soul, the circle tightens its bids  
Upon changing the door that I will tumble through  
While hoping that I will about face the Who  
Of how my focus will keep on feeding the flame  
So that I will only, NOT, shout out the one singular name  
And that name was found in the wreckage by the stool  
When I first swallowed the shiny thing to be "cool".

## Thanksgiving Offering

*Received on November 14 and 21, 2021*

**The Thanksgiving Offering benefits the Colleges, Universities, Seminaries, and Divinity Houses affiliated with the Christian Church (Disciples of Christ).** Higher education has been an important focus for Disciples since the very beginning of the movement. Throughout our history, Disciples have founded institutions of higher learning to educate students and form leaders to make a difference in the world. The Christian Church (Disciples of Christ) is still committed to higher education. Your gift to the Thanksgiving Offering helps support the education of thousands of students at our fifteen colleges and universities as well as our seven seminaries and divinity houses.

The Colleges and Universities of the Christian Church provide quality education through classes offered by some of the nation's top undergraduate and graduate faculty. Many of the campuses are comprised of state-of-the-art facilities, offer diverse degree programs, include dynamic student life activities, offer exciting athletics programs, and much more. The Thanksgiving offering supports everything from scholarships, to religious life offices, to faculty growth and development. By giving to the Thanksgiving Offering you are helping our institutions invest in students as they prepare themselves to become leaders.

The Thanksgiving Offering also provides scholarship and support for our theological education institutions. Each of our seminaries and divinity houses is committed to educating and forming Christian leaders for church and society. Generations of pastors, community leaders, and agents of social transformation have been educated at our theological institutions. They have flourished and made a difference in the world, thanks to gifts from Disciples congregations and individuals throughout the ages. These institutions continue to prepare leaders for the present age and the age to come.

As we continue to struggle with effects of the COVID-19 pandemic, our higher education institutions are facing unprecedented challenges and they need our support now, more than ever. Even as they work diligently to ensure safe and healthy learning environments, the financial realities faced by many of our schools add additional stress to students, faculty, and staff.

Support for Disciples Mission Fund and gifts to the Thanksgiving Offering are a critical part of the ongoing collaborative work of church and higher education that is such a foundational part of the heritage of the Christian Church (Disciples of Christ).

Please give generously to this offering. Your gift makes a difference in the lives of our students and it makes a difference in the world.
